Professor J. Morton Davis,
340 Madison Place,
Lexington, Kentucky.

My dear Professor Davis:

Upon investigation, I find that I have a spare copy of my Walnut Hill Address already in type, and this I am sending you herewith with my compliments.

The substance of the deeds you want are copied into the body of the address, as you will see upon examining it. Complete copies of these deeds can be procured from the Clerk of the Fayette County Court. I give you here the references so that they can be readily located, viz.,

(1) Levi Todd and wife to Rev. James Crawford, (Mch.14th 1786,) Deed Book "B", p.57, County Court Records.

(2) Levi Todd to Trustees of Presbyterian Congregation of Walnut Hill, (Jany.6th,1802.) Deed Book "B", p.53, County Court Records.

(3) Levi Todd to Trustees of Walnut Hill Presbyterian Church, (Octr.6th, 1792.) "Burnt Records" Book No.7, p.178. (This record is fragmentary but preserves the names of the original Trustees.)

All three of these instruments are essential to a clear understanding of the method by which the Walnut Hill Church or Congregation acquired title to the lot upon which its church building stands.

Trusting this will furnish all that you desired,

Very sincerely yours,

(Signed) Samuel M. Wilson
