

## **Indoor Worship Resumes**

Walnut Hill Church will return to **in-person worship in the Sanctuary on Sunday, April 18, 11am.** For the time being, several pandemic precautions continue...

**We ask** that you attend only if you are symptom free, have not recently been exposed to anyone with coronavirus, and have considered that attending is safe for you and your household.

**We require** face coverings and social distancing between households for all present.

**Sanctuary attendance will be limited** to allow for social distancing, with overflow into Trinity Hall for shared viewing of the Facebook live stream.

**Children/youth** are invited to participate in Sunday morning programs in Trinity Hall or outdoors as planned by our Director of Children and Youth Ministry.

The information above is subject to change according to local pandemic conditions. Please phone the church office (859-263-5304) for more details.
